

## **Prof. Deni Noviana**

**Dean, School of Veterinary Medicine & Biomedical Sciences, IPB University**

**Vice-Chair, INDOHUN**

**Indonesia**

Prof. Noviana graduated as a veterinarian from Faculty of Veterinary Medicine, Bogor Agricultural University (IPB University), Indonesia in 1997 and completed the Ph.D. program in 2004 from the United Graduate School of Veterinary Sciences, Yamaguchi University, Japan. He specialized to deepen diagnostic imaging modalities in small animals, large animals, and marine mammals. Besides being a lecturer, he is also a small animal veterinary health practitioner, focusing on radiology, cardiology and handling many referral cases. He was

appointed as Dean of School of Veterinary Medicine and Biomedical Sciences since 2021 until now. He had many scientific articles that had been published in various international journals, accredited national journals, proceedings, books, and book chapters. In 2017, Prof. Noviana was awarded the title of Diplomate in Asian College of Veterinary Internal Medicine as a De Facto Specialist in Cardiology. Prof. is Vice-Chair of the Indonesia One Health University Network (INDOHUN).
