

## **Prof. Ye Htut Aung**

**Pro-Rector (Academic Affairs), University of Veterinary Science, Yezin**

**Co-Lead, MMOHUN**

**Myanmar**

Dr. Ye Htut Aung is a Professor and Pro-Rector for academic affairs in the University of Veterinary Science, the only University for Veterinary Medicine in Myanmar. He obtained his doctorate degree from the University of Veterinary Medicine, Hanover, Germany in the field of immunopathology of poultry viral diseases. I have been building the capacity of veterinary students in the diagnosis, prevention and control of infectious diseases of animals. Prof. Ye Htut Aung is presently serving as Co-Lead of the Myanmar One Health University Network (MMOHUN) and promotes One Health research and practice throughout the country. For One Health activities, he is trying to promote the veterinarian responses to neglected zoonotic diseases in Myanmar
